Mr. Craig S. Trueblood  
Attorney At Law

601 West Riverside Avenue  
Spokane, WA 99201-0636

Dear Craig:

Ecology is in receipt of the Petition for Partial Delisting at the Pasco Sanitary Landfill Site. We are in the process of reviewing the Petition and the technical data for the northern fifty-two acres. We are also discussing with staff at EPA the possible administrative options available for delisting a portion of an NPL site before a Cleanup Action Plan has been completed.

We understand how critical a timely response is in regards to your client's business and will respond to the Petition as soon as possible.

Sincerely,
